To whom it may concern,

Victor Delasantos is my uncle and I have known him for all my 34 years on this earth. I am writing this letter to offer a fuller picture of my uncle and his true character. My whole life I have never heard him ever doing any wrongdoings. Victor Delasantos is a great human being, and today, that is very uncommon. My uncle gave my now wife and I great advice the day before my wedding that I will forever cherish. My uncle is a warm hearted, kind, loving, great person. He is always there for my family no matter what the circumstances are. Taking my uncle away will be detrimental not only to me, but to my family.

Dear Judge,

I am writing to express my support for Victor De Los Santos, a devoted brother, father and an inspiration to our family and community. Have known him my whole life. He has always been the little big brother, protector and can attest to his character and integrity.

Victor is a very dedicated brother, son and father that puts his family first above all else. He is always there to lend his emotional support. He's always there for his family, his children, friends. He is constantly providing love, guidance, and support. He is actively involved in their lives, attending their events, and being a positive role model for them. He has always been an integral part of my sons upbringing.

In addition to being a loving father, Victor is also a kind-hearted individual. He takes his integrity very seriously and is committed to living a life of honesty and honor. He is always willing to lend a helping hand to friends and family in need. His compassion and generosity draws people to him and they want to be around him.

He is very well-respected by the elders in the neighborhood and by all who know him.

Victor is always willing to offer support to anyone in times of need.

He is reliable, kind and a hard worker. Never hesitates to offer his assistance and support whether it be emotional or in any capacity without hesitation.

His willingness to help family, friends, strangers and others is commendable and reflects his genuine caring nature that has been instilled in him since childhood.

Please feel free to contact me if you require any further information.

Thank you for the opportunity.

Dear Judge,

My dad has never been in my life, so my grandfather has been my only male role model. My grandfather is a great man, who is the heart and soul of my family. He is strict at times about my school work but that has kept me with a 4.0 GPA in high school. I recently got knee surgery and my grandfather was there to comfort me. So please have some mercy on my grandfather. I need my grandfather for our movie dates, basketball games, fishing, lunch, and someone to continue to guide me in the right direction.

Sincerely

Makai Lilly

Dear Mr. Judge,

I am writing on behalf of Victor De Los Santos. Mr. Victor De Los Santos and I have been family & close friends for over thirty years. In this time, he has proven to be a fine and responsible character. In General, Mr. De Los Santos is known for being a dedicated husband and father.

As a reliable member of the community Vic's offense was quite unexpected. Mr. De Los Santos has thus far shown a steadfast and resolute demeanor in moving past this mistake in a constructive and successful manner. It is my hope that this letter regarding Victor and his case will act as a positive and contributing factor when the court considers this matter.

Sincerely,

Bernie McNair
